# Invitation

**Dear Participants,**

We are delighted to welcome you to the International Conference on Neurology and Neuroscience 2025!

This global virtual gathering brings together top researchers, clinicians, industry experts, and students for:

 Innovative Research |  Expert Talks |  Networking |  Knowledge Exchange

Whether you're here to present, learn, or connect, this event is designed to deliver exceptional value.

**Make the Most of It:**

-  Engage actively
-  Share your insights
-  Network globally

Thank you for being part of this mission to advance of Neurology and Neuroscience .

**– Organizing Committee**

# About Globemeet Research Conferences

## **Welcome to Globemeet Conference**

**Advancing Science, Engineering & Technology for a Better Future**

## **About Globemeet**

A global platform promoting cutting-edge research, innovation & collaboration across Science, Engineering, and Technology.

## **Why Attend?**

### **Knowledge Sharing**

 Keynote Talks, Poster Sessions & Interactive Workshops

### **Global Networking**

 Connect with researchers, industry leaders & policymakers

## **Exclusive Benefits**

-  Session Chair Opportunities
-  Indexed Speaker Profiles
-  Certification & Awards
-  Career Development Sessions
-  Funding & Sponsorship Options

## Our Mission & Vision

### **Vision:**

Revolutionize global research collaboration & address real-world challenges.

### **Mission:**

Deliver high-quality academic conferences

Empower researchers globally

## Why Choose Us?

### **Focused Networking**

 Meaningful dialogue & brainstorming with experts

### **Unmatched Expertise**

 Learn from Nobel Laureates & top academicians

### **Global Reach**

 55+ countries represented

### **Unique Features**

✓ Research Presentations

✓ Career Guidance

✓ Industry Exhibitions

✓ Publishing Opportunities

# Sessions & Tracks

- Track 1: Advances in Neurodegenerative Diseases
- Track 2: Neuroimmunology and Neuroinflammation
- Track 3: Cognitive Neuroscience and Behavioural Disorders
- Track 4: Neurogenetics and Epigenetics
- Track 5: Neuropathology and Brain Injury Mechanisms
- Track 6: Neuropharmacology and Neurotherapeutics
- Track 7: Pediatric Neurology
- Track 8: Neurological Disorders in Aging Populations
- Track 9: Brain-Computer Interfaces (BCIs) and Neurotechnology
- Track 10: Epilepsy and Seizure Disorders
- Track 11: Neurosurgery Innovations and Techniques

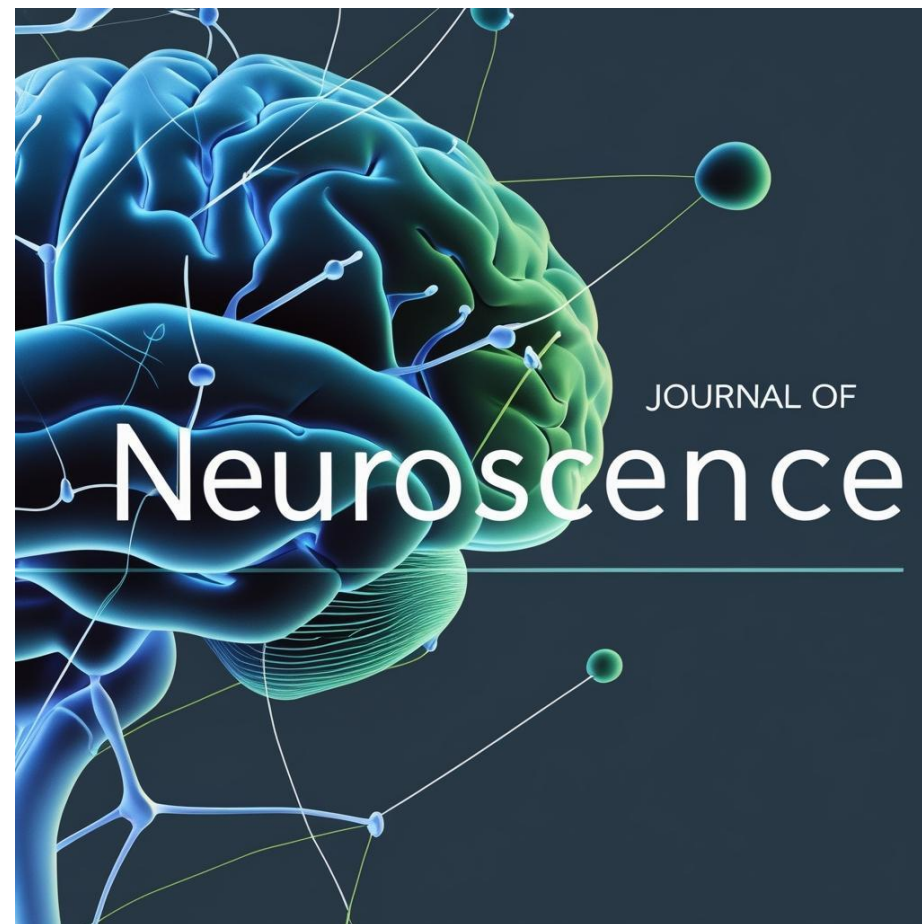

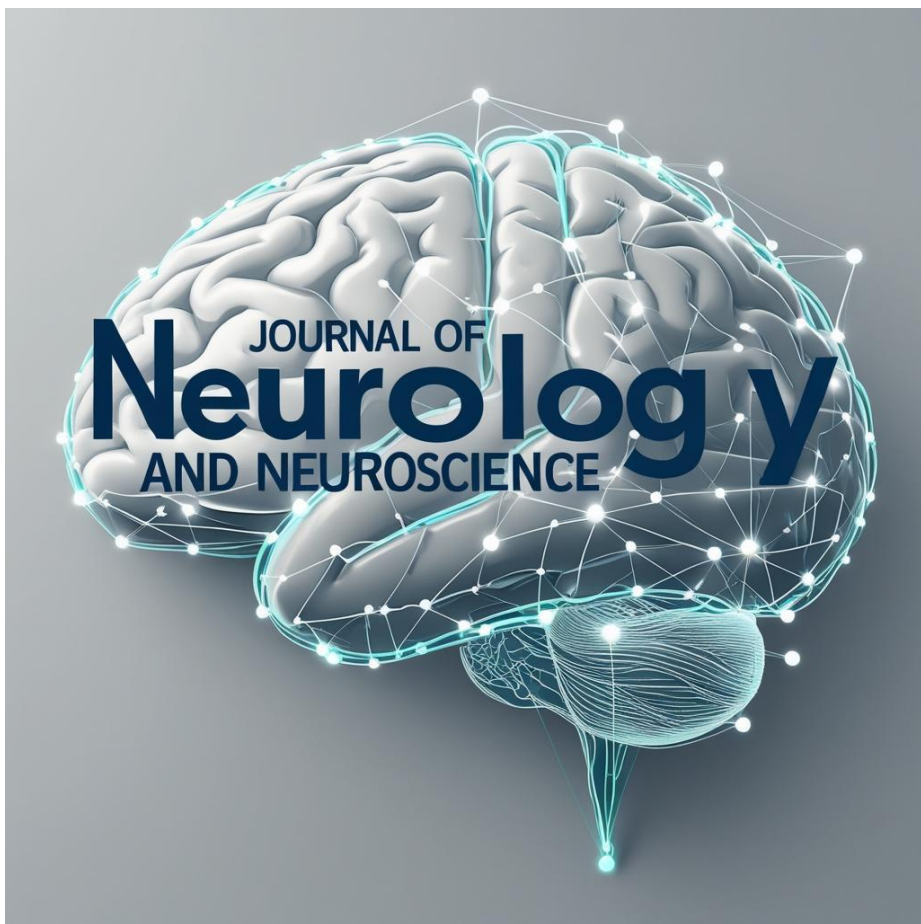

GLOBEMEET  
RESEARCH  
CONFERENCES

- Track 12: Sleep Disorders and Circadian Neuroscience
- Track 13: Stroke and Cerebrovascular Disorders
- Track 14: Mental Health, Neuropsychiatry, and Neuroscience
- Track 15: Neuro-oncology: Brain Tumors and Treatments
- Track 16: Neuroimaging and Diagnostics
- Track 17: Movement Disorders: Diagnosis and Management
- Track 18: Emerging Therapies in Neuromodulation
- Track 19: Rehabilitation and Neuroplasticity
- Track 20: Artificial Intelligence and Big Data in Neurology
